

Engineering Ball - Get your tickets!

Last Updated Wednesday, 17 September 2008

The Engineering Ball is coming!

Each year SUEUA's Engineering Ball serves as a chance for all you grimy engineers to dress up nice and have an at least slightly classy evening!

Last year's sponsors PB are forking out again - promising another fantastic evening.

If you have been too embarrassed to bring your boy/girlfriend to any other engineering events - this one's for you!
